About

Overview

Attorney Nai-Fu Huang is currently a lawyer at Dentons TAIWAN LLC. She has handled numerous high-profile litigation cases involving political figures, foreign investment cases, labor laws and labor negotiations, start-up technology and emerging companies, energy laws, and public works. She has provided legal opinions for numerous Fortune 500 companies and several foreign banks, covering areas including derivative financial products, third-party electronic payments, anti-money laundering, privacy and cyber security, and intellectual property rights.

Attorney Huang has long been involved in projects with various governmental entities in Taiwan. She has collaborated with institutions such as the National Palace Museum, the Investment Commission of the Ministry of Economic Affairs, the National Development Fund of the Executive Yuan, and the Industrial Technology Research Institute on matters related to intellectual property rights, corporate law, and energy law.

Attorney Huang is licensed to practice law in Taiwan. She is currently pursuing a Master's degree in International Business Management at National Taiwan University and holds a Bachelor's degree in Law from the same institution.
